

Directions to the School of Sport & Exercise Sciences

The Tom Reilly Building is in the Byrom Street campus which is a City Centre location with no general parking available. Pay and Display parking available in many locations and you are advised to park conveniently and walk the campus.

From the M62 (by car)

At the traffic lights at the end of the M62 head towards the **City Centre**. You will now be on Edge Lane. Continue along this road for approximately 3 miles and look out for signs to the **tunnels**. At the end of Edge Lane get into the right hand lane which will put you onto Hall Lane and take you on the top side of the Liverpool University Hospital. At the next main set of lights go straight across and follow the bend round to the left. Stay on this road heading for the **Birkenhead Tunnel**. You should now be at **POINT A** on the map. At the lights go left and you should reach the roundabout in front of the museum.

Go over the roundabout (in **BLUE**) to access multi story parking in the Marriott car park. The TRB is about 5 mins walk away. If this car park is full, please continue around the city centre until you find a space. Car park fees in shopping areas can be high.

From Chester via the Birkenhead Tunnel (by car)

Exit the Birkenhead Tunnel and go around the roundabout (in **BLUE**). Follow instructions above.

From Lime St. Station (by train and foot)

Walk from the front entrance of **Lime St.** and cross over to St Georges Hall. Head down William Brown St. passing the **Museum and Library**. At the end of the road continue round the bottom of the museum and look for Byrom street ahead of you. Use the pedestrian flyover to access Byrom Street campus.
